

Metropolitan Housing Partnership

Tenant and Resident Association Equality and Diversity Statement

The *name TRA* aims to fully reflect and represent the interests of members in our defined area to assist *name landlord* in building 'better homes and stronger communities'. The *name TRA* recognises that customers of *name landlord* come from diverse communities and will ensure that the group is aware of and takes regard of the *name landlord* and MHP's Diversity strategy. It seeks to actively encourage the participation of all individuals to ensure that the views of the *name TRA* are truly representative.

The *name TRA* will make all reasonable arrangements to facilitate the inclusion of all residents, regardless of the following, this list is not exhaustive:

- Race
- Gender
- Religion or Belief
- Sexual Orientation
- Disability
- Age

The *name TRA* is committed to ensuring that it develops and maintains the necessary skills and awareness of equality issues amongst its members to enable the group to meet *name landlord* commitment to community cohesion. They will do this by having regular updates from staff at their meetings as well as taking relevant training sessions.
